Truth or Dare:Mermaid Form

Wanna play truth or Dare - asked rikki

The girls always played this when they were bored but found a new way to play in mermaid form Elliot was also invited to play.

The girls got water a put it on their skin as usual in 10 second they would become mermaids except for Elliot.

It was weird sometimes when for them when their clothes disappear especially along with hair-ties, headbands, hair-clips or hairspray disappears, along with their clothes. But they soon learned to accept.

Elliot was first to spin the bottle .

The bottle pointed at Rikki. Rikki was prepared whatever Elliot had in store for her .

I dare you to take off your bra and tail and let me wear it - Elliot said.

Rikki did. It took her a few minutes to remove her mermaid equipment it was a new thing that the Cleo Emma and Rikki could do. Rikki was left with only her water glistening wet breast and her conjoined smooth legs with a thinly trimmed blond bush.

Wow this was amazing - Elliot thought to himself wearing rikki bra and tail.

it was heavy though since Elliot was not a merman and gave it back after a few second.

It was Cleo turn to spin. The bottle landed on Emma

I dare you to rub your nipples with Rikki - Said Cleo.

Emma removed her bra and started to rub her small nipples against rikki big ones both girls moaned -Cleo knew that Emma and Rikki loved each other for some quite some time.

It was Rikki turn she want it to point towards Elliot

The bottle landed on Elliot

Elliot I dare you to kiss your sister Emma and suck her nipples - Rikki said

Elliot was ready he started kissing Emma and then move towards the nipple which was already erect since the water was still keeping her in mermaid form if that wasn't enough then maybe Elliot sucking her nipple would make the nipple more erect

Emma moaned she never knew her brother was this good

Emma turn to spin. The bottle landed Cleo

Cleo I dare you to walk around in your tail topless in other terms by jumping - Emma

This had never been done before every time the girls transformed into mermaids they would fall backward or forwards.

Cleo removed her bra the mermaid was next to the bed post which made it easy for her as Cleo tried to stand up she fell backwards with a thud which hurt her back

Everything ok - Rikki said with a smile

Fine - Cleo said sarcastically

It was Elliot turn to spin the bottle pointed toward cleo

Cleo I dare you to wear your normal bra and clothes. Cleo Emma and rikki remember the last time when Emma wore clothes in mermaid form while under the spell of the full moon

Cleo put on her bra which was easy the hard part was getting her purple skirt on since her mermaid tail was long she eventually managed to slip her skirt on her.

It was Cleo turn to spin the bottle the bottle pointed towards Emma this time

Truth Emma do you love Elliot or Rikki - Cleo asked

Rikki - Emma said

Emma answer made her and rikki blush.

The girls decided to finish for the Rikki help emma Cleo and Emma dry off
